Title: He's Done Worse.
Fandom: Supernatural.
Rating: NC-17.
Warnings: Smut!
Pairings/Characters: Lucifer!Sam/Dean, past Lucifer/Michael.
Word Count: 1,738 words.
Summary: Lucifer spends some time talking to Dean after Sam says yes.

Note: This is the first of my Christmas gift fics, and this one is a specific present to **copper_on_mars**, who wanted this pairing.

It's a 5x22 AU where things go weird.

(Lucifer pins him down with a gesture, a twisting of the hand that leaves Dean flat on his back and gasping to breathe as the rings press circles into his skin.)
